

**REPORT  
OF THE  
NATIONAL VICE-PRESIDENT  
Shimen Fayad**

Sisters and Brothers,

This report includes activities I have participated in for the period of August to September 2017.

**August 2017**

Continued preparing for convention with office staff. Attend and facilitate multiple meetings with Staff, President and providers. Travelled to Toronto before convention to deliver items for Convention and review room set up. Prior to convention, participated in National Council meeting. Day after convention, participated in National Convention meeting. Week after convention - various conference calls and actioned documents as a result of convention.

**September 2017**

I was away for part of the month travelling with my family to Ottawa as part of our relocation. For the remainder of September, I attended a Labour Management Meeting with the UHEW National President and we met with the Deputy Minister of National Resources Canada and other senior officials of NRCan. Participated in various conference calls as well as started preparation for upcoming RVP Orientation session in November.
