UMCC's

The departments (CFS, DFO, & ECCC) and union held regularly scheduled meetings with a couple exceptions where weather forced a cancellation. Some departments consult the union on a replacement date while others are silent and do not acknowledge requests as to next steps. This lack of respect has not gone unnoticed and will be brought forward. The meetings are dominated with Phoenix issues. Mental health and Respect are also topics given lip service but not the discussion they deserve.

Regional Conference

The UHEW Scotia-Fundy/NB-PEI/NF & Atlantic regions are combining for a spring conference. The conference will be held in Halifax in June 2018 and will feature training and discussion sessions. Please forward agenda item to your RVP.
